

First Approval Collaboration Requirement License

Version 1.12.2025

By exercising the Licensed Rights (defined below), You accept and agree to be bound by the terms and conditions of this International Public License ("Public License"). To the extent this Public License may be interpreted as a contract, You are granted the Licensed Rights in consideration of Your acceptance of these terms and conditions, and the Licensor grants You such rights in consideration of benefits the Licensor receives from making the Licensed Material available under these terms and conditions (such benefits may include, among others, being included as a co-author of any work published by You based on the Licensed Material).

I. Section 1 – Definitions

- a. Adapted Material means material subject to Copyright and Similar Rights that is derived from or based upon the Licensed Material and in which the Licensed Material is translated, altered, arranged, transformed, or otherwise modified in a manner requiring permission under the Copyright and Similar Rights held by the Licensor.
- b. Adapter's License means the license You apply to Your Copyright and Similar Rights in Your contributions to Adapted Material in accordance with the terms and conditions of this Public License.
- c. Copyright and Similar Rights means copyright and/or similar rights closely related to copyright including, without limitation, specific scientific acts and Sui Generis Database Rights, without regard to how the rights are labeled or categorized. For purposes of this Public License, the rights specified in Section II (b)(1) – (2) are not Copyright and Similar Rights.
- d. Collaboration Agreement means an agreement to be entered into between You and Licensor in a current form as provided at [\[www.firstapproval.io/docs/first_approval_collaboration_agreement_for_uploading.pdf\]](http://www.firstapproval.io/docs/first_approval_collaboration_agreement_for_uploading.pdf) specifying, among other things, Your obligation to include Licensor as a co-author of any Adapted Material or Licensed Material Shared by You.
- e. Collaboration Invitation Requirement means if You:
 - i. employ the Dataset for the statistical analysis and/or integrate the Dataset or any part thereof in Your Adapted Material; or
 - ii. use any illustrations, photographs or any other visual content; or charts, tables, infographic or any other data visualization of Dataset or Adapted Material in Your Adapted Material; or
 - iii. integrate the Dataset into a larger dataset, which represents Your Adapted Material

For avoidance of doubt, the following is **not** considered to be a Collaboration Invitation Requirement:

- i. You conduct your own experiments based on knowledge obtained by analysis of the Dataset;
 - ii. You use the Dataset or the Dataset Annotation to adapt and employ specific methods;
 - iii. You use a part of the Dataset as an example but not as a representation of results or analysis; For example you use some microscopic images from the Dataset as an example in Your review article or a tutorial;
 - iv. You merely mention the existence or content of the Dataset with no direct reproduction or Sharing of the Dataset; or
 - v. You reproduce the experiment design described in the Dataset Annotation with no direct utilization of data from the Dataset. In this case, in addition to including attribution in accordance with the Attribution Rules, You are obliged to make a note in Your Adapted Material: “the experiment was a reproduction of an experiment performed by [*INCLUDE NAME OF THE DATA AUTHOR*]”.
- f. Dataset means a collection of data in a structured or organized format and may include raw data, processed data, software, algorithms, protocols, and other research-related materials.
- g. Dataset Annotation means a comprehensive document prepared by the Data Author, which encapsulates the detailed descriptions, methodologies, file structures, and any relevant information pertaining to the Dataset(s). This document functions akin to a scientific publication, providing a thorough overview and analysis of the Dataset(s) to the potential Data Users and other interested parties.
- h. DOI means a digital object identifier, created, registered and administered under ISO 26324:2022.
- i. Effective Technological Measures means those measures that, in the absence of proper authority, may not be circumvented under laws fulfilling obligations under Article 11 of the WIPO Copyright Treaty adopted on December 20, 1996, and/or similar international agreements.
- j. Exceptions and Limitations means fair use, fair dealing, and/or any other exception or limitation to Copyright and Similar Rights that applies to Your use of the Licensed Material.
- k. Invitation for Collaboration means a letter from You to the Licensor in form provided at [www.firstapproval.io] extending an invitation to enter into the Collaboration Agreement together with the Collaboration Agreement executed by the Data User.

- l. Licensed Material means a Dataset, a Dataset Annotation and any other database, any other collection of raw data, processed data, software, algorithms, protocols, and other research-related materials structured in a specific manner or format or other material to which the Licensor applied this Public License.
- m. Licensed Rights means the rights granted to You subject to the terms and conditions of this Public License, which are limited to all Copyright and Similar Rights that apply to Your use of the Licensed Material and that the Licensor has authority to license.
- n. Licensor means the individual(s) or entity(ies) granting rights under this Public License.
- o. Share means to provide material to the public by any means or process that requires permission under the Licensed Rights, such as scientific publication, reproduction, public display, public performance, distribution, dissemination, communication, or importation, and to make material available to the public including in ways that members of the public may access the material from a place and at a time individually chosen by them.
- p. Sui Generis Database Rights means rights other than copyright resulting from Directive 96/9/EC of the European Parliament and of the Council of 11 March 1996 on the legal protection of databases, as amended and/or succeeded, as well as other essentially equivalent rights anywhere in the world.
- q. You means the individual or entity exercising the Licensed Rights under this Public License. **Your** has a corresponding meaning.

II. Section 2 – Scope.

a. License grant.

- 1. Subject to the terms and conditions of this Public License, the Licensor hereby grants You a worldwide, royalty-free, non-sublicensable, non-exclusive, irrevocable license to exercise the Licensed Rights in the Licensed Material to:

A. reproduce and Share the Licensed Material, but only in part; and

B. produce, reproduce, and Share Adapted Material.

For avoidance of doubt, no distribution to the public of the whole dataset or database representing the Licensed Material is permitted under this Public License.

- 2. **Exceptions and Limitations.** For the avoidance of doubt, where Exceptions and Limitations apply to Your use, this Public License does not apply, and You do not need to comply with its terms and conditions.
- 3. **Term.** The term of this Public License is specified in Section VI (a).

4. **Media and formats; technical modifications allowed.** The Licensor authorizes You to exercise the Licensed Rights in all media and formats whether now known or hereafter created, and to make technical modifications necessary to do so. The Licensor waives and/or agrees not to assert any right or authority to forbid You from making technical modifications necessary to exercise the Licensed Rights, including technical modifications necessary to circumvent Effective Technological Measures. For purposes of this Public License, simply making modifications authorized by this Section II(a)(4) never produces Adapted Material.
5. Downstream recipients.
 - A. Offer from the Licensor – Licensed Material. Every recipient of the Licensed Material automatically receives an offer from the Licensor to exercise the Licensed Rights under the terms and conditions of this Public License.
 - B. No downstream restrictions. You may not offer or impose any additional or different terms or conditions on, or apply any Effective Technological Measures to, the Licensed Material if doing so restricts exercise of the Licensed Rights by any recipient of the Licensed Material.
6. No endorsement. Nothing in this Public License constitutes or may be construed as permission to assert or imply that You are, or that Your use of the Licensed Material is, connected with, or sponsored, endorsed, or granted official status by, the Licensor or others designated to receive attribution as provided in Section III (a)(1)(A)(i).
7. [Ownership. The Licensor hereby represents that the Licensor has ownership, title, interest, copyright and similar rights in the Licensed Material and in a case any third party has ownership, title, interest, copyright and similar rights in the Licensed Material, the Licensor is fully and irrevocably authorized by such third party to grant You the Licensed Rights in the Licensed Material pursuant to the terms of this License.]

b. Other rights.

1. Moral rights, such as the right of integrity, are not licensed under this Public License, nor are publicity, privacy, and/or other similar personality rights; however, to the extent possible, the Licensor waives and/or agrees not to assert any such rights held by the Licensor to the limited extent necessary to allow You to exercise the Licensed Rights, but not otherwise.
2. Patent and trademark rights are not licensed under this Public License.
3. To the extent possible, the Licensor waives any right to collect royalties from You for the exercise of the Licensed Rights, whether directly or through a collecting society under any voluntary or waivable statutory or compulsory licensing

scheme. In all other cases the Licensor expressly reserves any right to collect such royalties.

III. Section 3 – License Conditions.

Your exercise of the Licensed Rights is expressly made subject to the following conditions.

a. Collaboration.

1. If You comply with any of the Collaboration Invitation Requirements, You must submit to the Licensor an Invitation for Collaboration in form and in accordance with the procedure specified at [www.firstapproval.io].
2. Unless the Licensor does not respond to the Invitation for Collaboration by executing the Collaboration Agreement within 30 days or notifies You of their refusal to sign the Collaboration Agreement as provided in para. (3) below, You must enter into the Collaboration Agreement with the Licensor in order to be permitted by this Public License to Share Licensed Material or any Adapted Material.
3. If the Licensor refuses to execute the Collaboration Agreement or, for any reason does not execute the Collaboration Agreement within 30 days following the Licensor's receipt of the Invitation for Collaboration (unless the Licensor and You agree a later cut-off date for the execution of the Collaboration Agreement), You are allowed to use Licensed Material or Adapted Material as is otherwise permitted by this Public License, but subject to (i) compliance with provisions of Section III (c); and (ii) including a note in the Adapted Material that the Licensor refused to enter into the Collaboration Agreement and, if available, stating reasons for such refusal.

b. Attribution.

1. If no Collaboration Invitation Requirement is satisfied and You Share the Licensed Material (including in modified form), You must:
 - A. retain the following (as provided in the Licensed Material):
 - i. identification of the creator(s) of the Licensed Material and any others designated to receive attribution (including by pseudonym if designated);
 - ii. a year of Licensed Material publishing ;
 - iii. DOI; and
 - B. indicate if You modified the Licensed Material and retain an indication of any previous modifications

(the “**Attribution Rules**”).

2. If You reproduce the experiment design described in the Dataset Annotation with no direct utilization of data from the Dataset, in addition to making an attribution with accordance with the Attribution Rules, you are obliged to make a note in Your Adapted Material: “the experiment was a reproduction of an experiment performed by [*INCLUDE NAME OF THE DATA AUTHOR*]”.
3. You may satisfy the conditions in Section III(c)(1) in any reasonable manner based on the medium, means, and context in which You Share the Licensed Material. For example, it may be reasonable to satisfy the conditions by providing a URI or hyperlink to a resource that includes the required information.
4. If requested by the Licensor, You must remove any of the information required by Section III(c)(1)(A) to the extent reasonably practicable.
5. If You Share Adapted Material You produce, the Adapter's License You apply must not prevent recipients of the Adapted Material from complying with this Public License.

c. Disputes.

1. If, at any time, You receive a request from the Licensor to confirm that Your use of the Licensed Material or Adapted Material does not comply with any Collaboration Invitation Requirement above:
 - A. You must respond to such request in accordance with the procedure described at [www.firstapproval.io] not later than 30 days following the receipt of such request from the Licensor; and
 - B. Unless the Adapted Material is already published or accepted for publication, any Sharing of the Adapted Material shall be postponed until the earlier of: (a) the execution of the Collaboration Agreement with the Licensor; or (b) the confirmation from the Licensor that no Collaboration Agreement is required.

IV. Section 4 – Sui Generis Database Rights.

Where the Licensed Rights include Sui Generis Database Rights that apply to Your use of the Licensed Material:

- a. for the avoidance of doubt, Section II(a)(1) grants You the right to extract, reuse, reproduce, and Share all or a substantial portion of the contents of the database;
- b. if You include all or any portion of the database contents in a database in which You have Sui Generis Database Rights, then the database in which You have Sui Generis Database Rights (but not its individual contents) is Adapted Material; and

- c. You must comply with the conditions in Section III if You Share all or any portion of the contents of the database.

For the avoidance of doubt, this Section IV supplements and does not replace Your obligations under this Public License where the Licensed Rights include other Copyright and Similar Rights.

V. Section 5 – Disclaimer of Warranties and Limitation of Liability.

- a. **Unless otherwise separately undertaken by the Licensor, to the extent possible, the Licensor offers the Licensed Material as-is and as-available, and makes no representations or warranties of any kind concerning the Licensed Material, whether express, implied, statutory, or other. This includes, without limitation, warranties of title, merchantability, fitness for a particular purpose, non-infringement, absence of latent or other defects, accuracy, or the presence or absence of errors, whether or not known or discoverable. Where disclaimers of warranties are not allowed in full or in part, this disclaimer may not apply to You.**
- b. **To the extent possible, in no event will the Licensor be liable to You on any legal theory (including, without limitation, negligence) or otherwise for any direct, special, indirect, incidental, consequential, punitive, exemplary, or other losses, costs, expenses, or damages arising out of this Public License or use of the Licensed Material, even if the Licensor has been advised of the possibility of such losses, costs, expenses, or damages. Where a limitation of liability is not allowed in full or in part, this limitation may not apply to You.**
- c. The disclaimer of warranties and limitation of liability provided above shall be interpreted in a manner that, to the extent possible, most closely approximates an absolute disclaimer and waiver of all liability.

VI. Section 6 – Term and Termination.

- a. This Public License applies for the term of the Copyright and Similar Rights licensed here[, however Your obligations for collaboration as stated in Section 3 (a) shall terminate or You are not required to comply with the collaboration requirements as stated in Section 3 (a) upon expiry of the [10 years period from the date of the Licensed Material].
- b. If You fail to comply with this Public License or the Collaboration Agreement, then Your rights under this Public License terminate automatically.
- c. Where Your right to use the Licensed Material has terminated under Section VI(a), it reinstates:
 - 1. automatically as of the date the violation is cured, provided it is cured within 30 days of Your discovery of the violation; or
 - 2. upon express reinstatement by the Licensor.

For the avoidance of doubt, this Section VI does not affect any right the Licensor may have to seek remedies for Your violations of this Public License.

- d. For the avoidance of doubt, the Licensor may also offer the Licensed Material under separate terms or conditions or stop distributing the Licensed Material at any time; however, doing so will not terminate this Public License.
- e. Sections I, V, VI, VII, and VIII survive termination of this Public License.

VII. Section 7 – Other Terms and Conditions.

- a. The Licensor shall not be bound by any additional or different terms or conditions communicated by You unless expressly agreed in a signed writing.
- b. Any arrangements, understandings, or agreements regarding the Licensed Material not stated herein are separate from and independent of the terms and conditions of this Public License.

VIII. Section 8 – Interpretation.

- a. For the avoidance of doubt, this Public License does not, and shall not be interpreted to, reduce, limit, restrict, or impose conditions on any use of the Licensed Material that could lawfully be made without permission under this Public License.
- b. To the extent possible, if any provision of this Public License is deemed unenforceable, it shall be automatically reformed to the minimum extent necessary to make it enforceable. If the provision cannot be reformed, it shall be severed from this Public License without affecting the enforceability of the remaining terms and conditions.
- c. No term or condition of this Public License will be waived and no failure to comply consented to unless expressly agreed to by the Licensor.
- d. Nothing in this Public License constitutes or may be interpreted as a limitation upon, or waiver of, any privileges and immunities that apply to the Licensor or You, including from the legal processes of any jurisdiction or authority.
